Educational Session Submission

We are excited to offer risk managers and vendors who support and participate in the annual Missouri/Kansas PRIMA conference an opportunity to submit potential educational session information for our 2019 conference.

Educational sessions will be offered to conference attendees on Thursday, April 11 and Friday, April 12, 2019. Sessions will typically run from 60 to 90 minutes in length.

If you are interested in submitting a session for review by the Conference Planning Committee, please complete the following form and submit it to Grayson Imhoff. Submissions must be sent by email to Grayson.imhoff@oa.mo.gov.

Please be advised the hotel is located about 3 hours from either St. Louis or Kansas City, if you are travelling by air, you will need to arrange for ground transportation, such as a rental vehicle.

If you do not have a presentation to submit, but know of someone who would be a good presenter, please feel free to forward this packet to that individual as well.

ALL submissions must be submitted and received no later than December 7, 2018 (4:00 pm CST). The selection process will begin after December 7. All submitters will be notified on or about January 4, 2019.
